New Family Physician, Dan Soular, Joins Grand Itasca

Grand Rapids –Dan Soular, MD, joined Grand Itasca on August 25, 2008. Dr. Soular, a native of Hoyt Lakes, Minnesota, graduated from Hamline University in St. Paul with a Bachelor of Arts in Biology. He attended medical school at the University of Minnesota in Duluth and the University of Minnesota in Minneapolis, graduating in 2005. Dr. Soular recently completed his residency in Family Medicine at the University of Minnesota in Minneapolis.

“We are extremely happy to welcome Dr. Soular to the growing medical staff at Grand Itasca,” stated John M. Kutch, CEO, Grand Itasca Clinic and Hospital. “Family Medicine physicians such as Dr. Soular, play a key role in providing area residents with a wide-range of care and services.”

“I am excited to return to Northern Minnesota,” said Dr. Soular. “I have always enjoyed the lakes and natural environment in this region. It is one of the reasons Grand Rapids had such a great appeal to me. I also like Grand Rapids because it has the large town amenities with a small town feel.” In addition to his love of the outdoors, Dr. Soular enjoys running, golf and hockey.

Dr. Soular and his wife Linnea, feel fortunate to have found a lake home in the area. “We can’t wait to get settled so we can become involved in the community,” said the Soular.

“Adding family medicine specialists at Grand Itasca helps support the needs of our community,” continued John Kutch. “As this community continues to grow, more and

more health care resources will be needed. The family medicine specialist plays a vital role in diagnosing and treating the broad spectrum of illness and disease that our patients and their families often experience.”

Patients can schedule appointments with Dr. Soular by calling the Grand Itasca appointment line at 218-326-7344.

Grand Itasca Clinic and Hospital is a non-profit, integrated delivery system that employs nearly 600 people. The integrated clinic and hospital, described as a “modern expression of hospitality and healing” is home to over 50 physicians and other providers including specialists in Orthopedics, Ob/Gyn, Pediatrics, Podiatry, Radiology, Urology, and Acute Rehabilitation.
