

A Note from our Board Chair:

On behalf of all of us with Grand Itasca Foundation, thank you to everyone who supported our Foundation in 2014. With your help we provided over \$96,000 in scholarships and grants to fund new programs, technology and enhancements at Grand Itasca Clinic & Hospital. At the end of the day, this means better medical care for all of us, right here at home.

Our 15 member board is dedicated to raising money to better serve our patients at Grand Itasca. Our Foundation exists to support Grand Itasca's mission of 'Patient-Centered Excellence' - our mission is you. Your gift enables our staff to utilize the best equipment, facilities and medical resources when providing quality health care for your family.

A sincere thank you for your generosity and support of health care in our community.

Sincerely,

Dale Adams, Board Chair
Grand Itasca Foundation

We Need Your Help!

Please consider a gift to Grand Itasca Foundation this holiday season.

You can choose to make a cash donation or contribute through other charitable gestures such as gifts of stock, endowment funds or planned giving.

Please use the enclosed envelope to make your donation.

Your gift is greatly appreciated and tax deductible!

Burggraf's ACE Hardware Caring Fore Kids Charity Classic 2014

Burggraf's ACE Hardware partnered with Grand Itasca Foundation in 2014 to for a new fundraiser called Caring Fore Kids. This event raised over \$25,000 for pediatric care at Grand Itasca with the help of 100 golfers, 50 sponsors and dozens of volunteers. Grand Itasca Foundation has put those dollars to work at Grand Itasca by purchasing teddy bears for inpatient and emergency pediatric patients, wagons for use across the hospital, coloring books for clinic patients and speech, physical and occupational therapy equipment.

Save the Date!

Mark your calendars for the 2nd Annual Burggraf's ACE Hardware Caring Fore Kids Charity Classic on June 4th, 2015!

Patient Care Boards

Grand Itasca Foundation purchased patient care boards to help medical care teams by providing a thorough visual snapshot of patient information and status in all hospital rooms.

Patient Treadmills in Cardiac Rehab

Grand Itasca Foundation purchased a new treadmill for the Cardiac Rehabilitation Department. This was a necessary addition to the department to meet the needs of patients in the Phase II Cardiac Rehab Program.

Health Care Scholarships

Grand Itasca Foundation Health Care Scholarships are awarded to high school graduating seniors in the Grand Itasca service area who are pursuing an education in a health science field.

2014 recipients: Jenna Namyst, Tabitha Hanson, Annie Crotteau, Solveig Viren & Elizabeth Ophoven, pictured at left with Kelly Kirwin, Foundation Director and Mike Youso, CEO.

The Dr. & Mrs. Robert Kelly Scholarship is awarded to non-traditional students who have returned to school to pursue a degree in a health science field.

2014 recipients: Ann Hauser and Arie DeGrio, pictured at right with Mike Youso, CEO, Kelly Kirwin, Foundation Director and Mrs. Donna Kelly.
